does not put them to any inconvenience of any sort and that the site is in the centre of the Mohamedan block and has been set apart for the purpose. The Hindu residents say that the site is far away from their houses & that they have no manner of objection to the Const^n of the masjid there. The Shekdar says that there is no chance of any temple Utsavam passing by, and that the site he is unobjectionable. The Amildar, Asst Supdt and the Dy Coll^r recommend the matter for the sanction of Govt.

There are vacant sites on three sides of the site on which it is proposed to build the masjid, and trouble are likely to arise in case the Hindus Purchase them - It would be safe to allow the Const^n of the masjid on the following conditions :—
